A lightweight universal gel for facial care with Hyaluronic acid, creates an air-permeable corset on the surface of the skin and makes up for the lack of moisture for a long time. Ascorbic acid (vitamin C) is an antioxidant, stimulates the protective functions of the skin, and improves its appearance. It is recommended for daily use as an independent remedy, as well as as a serum before applying a cream for women and men.

Composition: Aqua, Hyaluronic acid, Glycerin, Aristoflex AVC, Ascorbic acid (vitamin C), Euxyl K100.

# SEE

It is recommended as a universal cream 24/7 to moisturize, nourish and quickly restore the skin. It does not interfere with breathing and evens out the tone.

The ergonomic vacuum packaging prevents contamination from entering the bottle and allows you to use the contents without loss.

Moisturizes all skin types .

- . antioxidant
- . calming
- . stimulates the regeneration
- . universal

Composition: Aqua, Lanette D, Jojoba Oil, Hostaphat KW 340 D, Glycerin, Sodium Hyaluronate, Ceteareth -20, Evening Primrose Oil, Aristoflex AVC, Fluid DC 350, Stearylglucyrretinate, Phenohim, Agidol, Allantoin, Euxyl K1001.

Light hyaluronic fluid cream with evening primrose oil, jojoba oil, vitamins A, E, glycyrrhethinic and glycyrrhizic acids for all skin types. It is easily absorbed, does not leave a feeling of heaviness, moisturizes and normalizes the natural moisturizing factor (nmf). It is important to know that the condition, color and appearance of the skin depend on the level of humidity. Lack of moisture provokes the appearance of wrinkles and premature aging.

smart cream
